

# **PERSONAL WAVELENGTH COURSE**

## **TABLE OF CONTENTS**

<b>INTRODUCTION</b>	p. 4
<b>DISCLAIMER</b>	p. 5
<b>ACKNOWLEDGEMENTS</b>	p. 6
<b>I. BACKGROUND TO THE PERSONAL WAVELENGTH METHOD</b>	p. 7
a) The Ancient Egyptian Temple Science	p. 7
b) The Jesuit Order in Europe	p. 11
c) The French School of Physical Radiesthesia	p. 12
<b>II. BASIC TERMINOLOGY AND PRINCIPLES</b>	p. 16
a) Basic Terms	p. 16
b) The 3 Types of “Witnesses”	p. 18
c) Your Testing Tool for this Class: The Neutral Pendulum	p. 20
d) Essential Keys to Skill Development	p. 22
e) The Entrainment Process: Prerequisite to Accurate Testing	p. 23
<b>III. PREPARATION FOR TESTING: CLEARING THE ENERGY CENTERS &amp; CHANNELS</b>	p. 25
a) Before You Begin	p. 25
b) Clearing the Central Channel: Energy Flows of Heaven and Earth	p. 26
c) Creating the Dynamic Sphere of Protective Energy: Torus Exercise	p. 27
d) Clearing the Energy Meridians	p. 28
e) Clearing the 3 Key Areas in the Head	p. 32
f) Clearing and Activating the Energy Flows to the Pendulum	p. 34
g) Simple Clearing Method with Crystals	p. 36
h) Simple Clearing Method with Essential Oil Spray	p. 36
i) Clearing the Mind: Overcoming Mental Projections to Avoid Influencing the Testing	p. 37
<b>IV. BEGINNING PRACTICES: POLARITY &amp; COLOR</b>	p. 40
a) Detecting Polarity: Finding a Single Resonant Length	p. 40
b) Developing Advanced Levels of Testing Skill through Polarity Testing	p. 48
c) Polarity Testing: Short Summary and Practice Exercises	p. 51
d) Detecting Color Vibrations: Finding Multiple Resonant Lengths	p. 53
e) Solutions to Common Problems in Learning Vibrational Testing	p. 57
<b>V. THE PERSONAL WAVELENGTH</b>	p. 60
a) Finding Your Own Personal Wavelength	p. 60

- b) General Testing of Strengthening vs. Weakening Effects p. 65
- c) General Personal Wavelength Testing for Another Person p. 69
- d) Creating Effective Witnesses by Imprinting Vibrations p. 71
- e) Basic Clearing of Items Imprinted by Toxic Vibrations p. 75
- f) Basic Testing and Balancing of Earth Lines and EMF Effects p. 76
- g) Basic Testing and Balancing of Living Beings other than Humans p. 81

**VI. TESTING FOR DISTURBANCES AND THEIR FOCAL POINTS** p. 82

- a) Finding Where Disturbances are Located using Personal Wavelength p. 82
- b) Locations for Testing p. 83
- c) Linking to a Person's Energy System to Test Internal Disturbances p. 84
- d) How to Navigate through the Components of a Person's Energy System p. 85
- e) How to Test Components of a Person's Energy System p. 87
- f) Methods of Balancing the Disturbances Found in these Practices p. 91

**VII. ANATOMY CHART TESTING** p. 96

- a) Background: French "Medical Radiesthesia" p. 96
- b) Step by Step Guide to Testing on Anatomy Charts p. 100
- c) Testing Organs and Endocrine Glands p. 105
- d) Testing the Spine and Individual Vertebra p. 107
- e) Testing for Possible Reactions to Substances and Vibrations p. 109
- f) Testing Specific Quantities Needed of a Substance p. 110
- g) Testing the Limits of the Digestive System p. 112
- h) Testing For Side Effects p. 113
- i) Testing the Effects of Combined Substances or Vibrations p. 114

**VIII. CHAKRAS AND CENTRAL COLUMN TESTING** p. 115

- a) Vibrational Principles of Testing the Chakras and Central Column p. 115
- b) General Chakra Testing Method p. 116
- c) Testing the 7 Basic Chakras in the Body p. 119
- d) Testing the Chakras in the Central Column p. 124
- e) Testing Left and Right Channels (Ida and Pingala) p. 125
- f) Using this Method to Activate Energy Centers p. 126

**IX. ENERGY MERIDIANS AND ACUPUNCTURE POINTS TESTING** p. 127

- a) Testing Method 1: Meridians related to Anatomy Chart Problems p. 127
- b) Testing Method 2: Complete Meridian Flow Pattern p. 128
- c) Energy Balancing Wounds through the Meridian Flows p. 150

**X. DETECTING THE PRESENCE OR ABSENCE OF ANY MATERIAL OR VIBRATION** p. 151

**CONCLUSION:** 9 Principles to Remember p. 152
